The Secretary to the Govt. of Mysore,
General and Revenue Depts.

Sub: L. H. Sec. of orders.

Something of the sort should I think be
done, in Bangalore I believe a
regular camp of sheds with
zinc roof was erected for
the police, or also one of
the Health Camp was made
available for them. I don't think
Mysore has any such camps
ready & if the G.O. thinks 10/- per
head will suffice to enable each
constable to run up a shelter
to live in it will be cheaper to
grant it than to erect a camp
for them.

With you kindly
tell me what the con-
-ception of the
to Silledari at Mysore
was. Did Govt. build
them for them or did
each man have money
of materials? In the
latter case was it a
gift or a loan?

Enc. 2

Dated.... 12th January 1899.

FROM

THE INSPECTOR GENERAL OF POLICE IN MYSORE.

TO

THE SECRETARY TO THE GOVT. OF MYSORE,
GENERAL AND REVENUE DEPARTMENTS.

SIR,

I have the honor to forward herewith Copy of docket No 206 dated the 3^d instant from the Deputy Commissioner, Mysore District, together with its enclosure in original, and to state that as the Deputy Commissioner proposes, it is very essential that the City Police Constables who are already

on duty as well as those who may
hereafter be called on for the same
at the Plague Camps at Mypore,
should be shewn the same Con-
cession as has already been
granted in the Case of Silledar
by sanctioning a grant of Rs 10/-
each, to enable them to Construct
Sheds outside the town, besides
materials to be supplied at Cost
price in the Government Depot.
The amount required is not
likely to exceed Rs 1000/- I beg
that Government may be pleased
to accord their early sanction to
the proposal.

I have the honor to be

Diary for Sunday the 25th December 1898.

7 to 11 a.m.

Visited Mundi, near the
and Fort Station. Was
in the Central Station
attended to current work.

3 to 10 p.m.

Patrolled in the limits
of the Sub Stations. Exam-
ined, Hazarabad and
Chamara and was in
the Central Station.

I beg to state the
following.

The Officers & men
doing duty in the Health
Camp (Deerama Khur)
are residing in different
parts of the City & one or
two men ⁱⁿ the Mundi
probably. They are
on duty in the Camp
both ^{day} & night. It is very
hard ^{for them} to go to the City and
again come back for duty
such a long distance.

Submitted A. D. By Command
for information. There
is some force in this,
but the difficulty of getting
men for the whole force
is doubtful. The men on duty
at the Health Camp may
submit be provided in adv.

the H.D. - in charge, cannot
leave the Camp even for
2 or 3 hours in the day.
It is a hardship on the
men, & the work too
suffers. It is also to
be remarked that our
men on duty in the
Health Camp, while
off duty in the city,
may move about the
infected places which
is I submit is very
dangerous. ^{It is} therefore
that arrangements may
be made to give them
accommodation in the
Camp itself.

I have also to
represent that the
City Force consisting
of 275 constables
besides Officers number-
ing about 50, are living
in different bungalows

that they may not
infect the healthy

and also in the Kumbh
Mehalla. I ~~like~~ to
suggest, that some huts
may be provided there
to live, as far as possible
in ^{one} ~~all~~ + the same place.
If not for ^{the} whole force,
but about 100 huts
may be provided for
the present, ^{on} ~~an~~ account
of the plague, people are
vacating their houses
+ removing themselves to
the healthier places.
Internally our men
who are expected to
guard the houses + pro-
-perky of the public,
especially the plague
stricken localities, are
panicked ^{stricken} ~~stricken~~. I need
not submit their feelings
just now, ^{where} ~~where~~ they
see that their kin & friends
& neighbours go away.

the place for fear of Plague.
Under the above cir-
cumstances I submit,
that the matter will
be taken into favourable
consideration
